

Advocate for Washington's Seniors: Say NO to Medicaid Cuts!

Contact your legislators today and urge them to reject Governor Ferguson's proposed funding cuts that would undermine Medicaid, destabilize the long-term care workforce, and threaten access to care across Washington.

Lawmakers must protect critical investments and **keep our promise to seniors, people with disabilities, and the caregivers who support them every day.**

**Visit the WHCA Advocacy Action Center
and send a message to your legislators
in less than 2 minutes!**
